

Welcome to our carefully curated wine list, where each selection has been carefully organized by body and intensity. Our philosophy is to enhance your dining experience by guiding you through a journey of flavours, allowing to explore wines that pair perfectly with each dish. From light and crisp to bold and robust, we celebrate diverse expressions of terroir and craftsmanship.

Our curated wine collection reflects the passion and expertise of our Sommelier, Francesco Spediacci, alongside Pascal Stoetzel, who oversees our cocktail offering.

We like to organize our list in order of intensity, starting with the more subtle and elegant wines, then moving towards the richer, fuller and bolder ones.

This way you can easily navigate between the different options and choose the wine that best suits your palate and the occasion.

We invite you to savour every sip, discovering the stories behind each bottle and finding the perfect pairing.

Cheers to an unforgettable experience!
